

MEDIA RELEASE

WATCH RWMF IN STYLE

KUCHING, 21 June 2012 - The Sarawak Tourism Board is selling 'Corporate Seats' for the Rainforest World Music Festival. Seats priced at RM90 per person are now available. So if you want to enjoy the electrifying energy of the Rainforest World Music Festival 2012 but are tired of standing in the masses, then why not grab this opportunity?.

The Corporate Seat offers you to enjoy the whole festival evening show from an elevated platform with perfect view of both the tree-stage and the jungle stage (main stage). This strategic tree-level view will ensure you not to miss any of the action happening on, or in front of the stage. The seating is in plain view of everything that's happening in the cultural village and comes complete with spacious seating, fans for those hot nights in the tropics and of course a roof to stay dry just in case the night starts showering. After all, it isn't called RAINforest for nothing!.

The Corporate Seating area is also perfect for bigger parties or company outings. So why not take your employees to come and experience this iconic international event that has for 3 consecutive years made itself one of the 25 best international festivals.

To book the Corporate Seat please call Ms Idawati at 082-423600 or booking can be made via email to leisure@sarawaktourism.com. More information on the festival is available online at www.rwmf.net
